Homecoming 85-86

Homecoming is always a special time of renewing old memories and making new ones. This has been true for the Ector community this year as we engaged in celebrating our first school homecoming. Mrs. Rollie Rinker was chairman of this committee.

The highlight of the school activities was the crowning of Kimberly Lodwick as Homecoming Queen. A 17-year-old senior, Miss Lodwick is the daughter of Mr. and Mrs. John Lodwick. Kim was escorted by Eric Dugan son of Mr. and Mrs. Jack Robinson of Ector and Mr. and Mrs. Bill Dugan of Bells. Eric also is a member of the senior class.

First runner up was Miss Pam Smith, daughter of Mr. and Mrs. Joe Tom Smith. Scott Johnson son of Mr. and Mrs. Jimmy Johnson was her escort. Scott is a member of the Junior class.

Miss Teresa Martin was chosen as the second runner up. She is the daughter of Mr. and Mrs. Jimmy Martin of Ector. Teresa is a member of the freshman class. Her escort was Ronnie Coldiron a member of the Junior class and the son of Mr. and Mrs. Harrel Coldiron.

Sophomore Jacinda Smith was escorted by Donnie Shrum. Jacinda is the daughter of Mr. and Mrs. Bobby Jack Smith. Donnie's parents are Mr. and Mrs. Charlie Shrum.

Senior Class President Delbert McDowell crowned Miss Lodwick during the half-time of the Eagles' victory over the Savoy Cardinals. Miss EHS Terri Bingham assisted him with the presentation of red roses to Queen Kim and her court. Ms. Terri Davis, home economics teacher, introduced the nominees and their escorts.

Joe Coston and the Ag Department constructed the setting used for the Queen Coronation. Invitations were sent to over 200 ex-students. Dorothy Cox and Betty Sellers organized this effort.

The Ector Community took the opportunity to express their appreciation to the School Board and Superintendent Billie Finnell for their contribution to the school in the construction of the new Ag facilities and Eagle Gym.

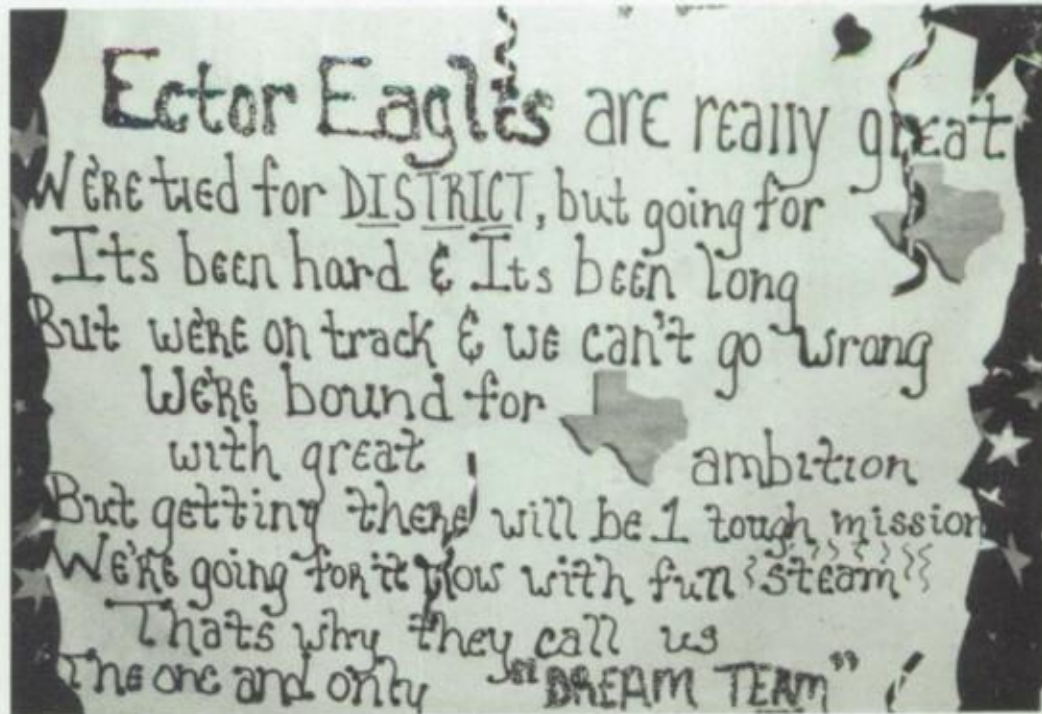

An engraved plaque will be hung in the gym foyer in their honor. Each board member also received an individual plaque in appreciation for their service and dedication. Members were: Danny Wilson Jr., Joe Bellows, Mark Burkhalter, Gaylen Murray, Charles Large, Ernest Hill Jr., Jimmy Johnson, and Doug Large.

Principal Nema Morris presented winners of the Spirit Door Decoration Contest with a redeemable certificate good for one coke party. The door decorations were displayed in the gym by the varsity cheerleaders.

At the beginning of each game, Roger Morris, master of ceremonies, recognized each of the players and girls Coach Joe Moore and Head Coach Ray Hamilton.

The big moment has finally arrived.

Senior rap for competition of Spirit doors.

Other cheerleaders prepare for the big night while Pam chews her nails because she's nervous!

Keep reaching Valarie.

A Tax-Paying Investor-Owned Electric Utility

68

You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator - know what you want before you open the door; hot water takes energy - try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.
